1. **PIMS # 51814 Authorization # 190130010** 7201 La Tijera Blvd @ 405 FWY

(underpass)

1 HE, 16 Postings, small amounts of trash, ~ 0.5 hours needed

Zero accessibility on La Tijera Blvd, the only access is through LA County Flood control gate. At the time of posting, do not know the entrance to the flood control channel. Must have the key to gain access, otherwise would be extremely dangerous to clean this encampment which is tuck under La Tijera Blvd.

This encampment is on surface street (La Tijera Blvd) but no accessibility.

This encampment can be access through LA County Flood Control gate.

There is an encampment at this location but the terrain is too severe and dangerous for any cleanup activities.
